

Facilities Maintenance Technician Job Description

Title: Facilities Maintenance Technician
Reports to: Operations & Programs Coordinator
Status: 20 Hours Per Week/Part-time Non-Exempt
Rate of Pay: \$18.50 per hour

Mission: We strengthen our community with services that empower people.

Vision: Inspiring Hope, Resilience & Independence.

Scope: Mountain Resource Center is a community-based non-profit organization that provides bundled services and integrated case management to families in need. Our “Inspiring Hope, Resilience & Independence” vision provides accessible health and human services to people living in Conifer, Evergreen, Bailey and surrounding communities in order to foster more self-reliant and healthier lives.

Position Summary: The Facilities Maintenance Technician is responsible for the repairs and maintenance of all Mountain Resource Center (MRC) facilities and helps to resolve emergency situations that affect the ability to open for business. This position is also responsible for overseeing our fleet of vehicles. There may be times when special projects are given to this position for completion.
